

ACCESS CONTROL RULES & FEES

I understand that by signing this document, I am accepting the terms and conditions set out in this document.

I understand that by receiving an access control card, I am agreeing to obey the rules and regulations published in the Devils Lake Airport Standard Operating Procedures and related ordinance No. 864. I also understand that my access control card is a privilege and not a right and that my access control card will be revoked upon violation of any rules and regulations that apply to the Devils Lake Airport. I also understand that I am to only use the access control card issued to me and shall not let anyone else use my access control card. I understand that if I am not a Devils Lake Airport Tenant that I must officially request an access card by providing written documentation specifying why I wish to be issued an access control card. I also agree to the following rates and charges:

Each tenant leasing space at the Devils Lake Airport shall receive one free access control card initially.

Each additional card will be \$10.00.

Lost or damaged card will be replaced for \$10.00.

Non-tenant (own an airplane but am not a tenant) access control cards will be \$50.00 per year.
